# 127 WORLDWIDE ANNUAL REPORT

2024

# A NOTE FROM SARA BETH

I'm thrilled to share our **2024 Annual Report** with you!

**This year, we focused on measuring what truly matters—**

**lasting impact.** For 13 years, 127 Worldwide has been all about relationships, not transactions. Our work is to bridge God's people together, fostering relationships that equip and empower vulnerable communities to reflect Christ.

As you read through the stories and numbers, remember this: they represent lives changed and hope restored in vulnerable communities. Your support makes this possible, and we are so grateful to have you with us on this journey.

**Thank you for being part of the impact—we couldn't do it without you!**

Warmly,

## WHAT DOES 127 WORLDWIDE DO?

127 SERVES AS A BRIDGE between churches and Christians in America who want to obey James 1:27 and believing local leaders around the world who are caring for the vulnerable in their communities. We strive to CONNECT and EQUIP them to partner effectively as members of the global church and for the sake of the orphan, the widow, and the vulnerable.
